

FROM FAR YOKAHAMA

Steamship Aragonia Reached this Port Yesterday.

ROANOKE LEAVES FOR SOUTH

Steamers Thomas L. Wand and Atlas Arrive In—Captain Hardwick Again in Astoria—Odds and Ends of Waterfront Gossip.

The fine steamship Aragonia arrived in port yesterday, sixteen and one-half days out from Yokohama. She had a pleasant and uneventful trip over, and carried heavily of Oriental stuffs. Immigration Inspector G. W. Larmer, while pursuing his duties on board, found there was one more in the ship than her crew of eleven officers and fifty-one men, and inquiry developed the fact that he was a Coolie longshoreman of Yokohama, who, becoming weary with his work in loading the vessel at that port, had laid down and gone to sleep on the deck, while she was getting under way; and was not discovered until the steamer was well out on the blue. The man will be placed under restraint while the vessel is in port and will be taken directly back to his home-port, whither he is only too glad to go as soon as fate can provide the blessing.

The schooner Compeer now at San Francisco, has been chartered by the Astoria Box Company, to load outward for San Francisco. She will carry half a million feet of lumber, and will ease off the company's stock on hand, which the constant shortage in cars has piled up uncomfortably. The company could have despatched 100 cars of stuff last month, but could not get the service.

The steamer Undine has made it down from Portland on time just once since she took the Lurline's place on the Kamm run, and she will be off the run on Monday next, when the "flagship" Lurline, newly painted and repaired, resumes her old familiar duty on the river.

The popular Roanoke came down from Portland yesterday morning early and stayed at the Callender pier here until about 9 o'clock, when she went to sea, and her southern ports of destination.

The steamer Thomas L. Wand arrived in yesterday afternoon, after a cargo of lumber. Captain Hardwick, formerly the popular master of the Alliance, is on the bridge of the Wand.

The steamer Robert Dollar, with her engines repaired, and a good lot of coal in her bunkers, departed yesterday morning for her destination up on Puget Sound.

After a score of years of service with the Nahcotta, Captain William Starr has resigned as first mate of that vessel, and is in temporary command of the steamer Volga.

The oil tank steamer Atlas came in last evening about 9 o'clock and anchored in the city channel off the Flavel pier. She is bound for Portland.

The steamer Telegraph was on spot time yesterday, and Purser Tuttle reports that business is looking up in hearty fashion.

RAILROAD MAN DIES.

Charles Paine, Eminent Railroad Man, Passes Away in New Jersey.

NEW YORK, July 6.—Charles Paine died in Tenally, N. J., on Wednesday. For the seven years prior to his death he was general manager of the Panama railroad. Mr. Paine was born in New Hampshire in 1830. He was first connected with the Vermont Central and then with the Vermont and Canada. At the age of 28 he was superintendent of the Michigan Southern and Northern Indiana lines and was made chief engineer in 1864. Eight years later he was made general superintendent of the Lake Shore and Michigan Southern. He left the West to take charge of the New York West Shore & Buffalo, and remained with it until 1884. Later he went to Europe and studied railroading. He was second vice-president of the Erie for a year, and for five years was second vice-president of a Philadelphia Company which owns natural gas properties around Pittsburg. In 1899 he went to the Panama railroad. Mr. Paine wrote many articles on railroading some of which were collected and published as a book, "Elements of Railroading."

DEATH LIST GROWS EACH DAY

FIFTY-ONE LIVES SACRIFICED AS RESULT OF THE "GLORIOUS" FOURTH—INJURIES FAR EXCEED RECORD OF LAST YEAR

CHICAGO, July 6.—Fifty-one lives thrown away and 3551 celebrants maimed or injured, some of them fatally, is the record of this year's "Glorious" Fourth, as compiled by correspondents of the Tribune up to an early hour today.

The loss of life almost equals that of last year, when 59 persons were killed, while every record for the number of injured was broken. Almost 1600 more were in hospitals yesterday, or swathed in bandages than on the day following the holiday last year.

That the death list will continue to grow for several days is indicated by a large number of dispatches recording injuries believed to be fatal. The deadly toy pistol was responsible for a big percentage of the injuries and six of the dead. How many of the injured are infected with the germs of tetanus cannot be estimated.

ELANOR BROWN KILLED.

LOS ANGELES, July 6.—Miss Eleanor Brown, a member of one of the oldest families in Southern California, was killed in a runaway accident and her sister, Miss Adelaide Brown, aged 21, was seriously injured today. The two young women were driving the family carriage team when the accident occurred which resulted in the younger girl's death. The father of Miss Brown is the president of the Southern Refining Company and the family is related to the Bannings who own Catalina Island.

COURT PROCEDURE

Doings of a Day in the County Commissioners Court.

BIG VOLUME DISPATCHED

Road Matters Attended To—Official Bonds and Deputies Confirmed—Reports Received, Reviewed and Referred.

The county court convened promptly at 9 o'clock yesterday morning with Judge Trenchard and Commissioners Larsen and Masten, on the bench. County Clerk J. C. Clinton presented the following matters, which were duly disposed of during the day's session:

Bids were received for the wiring of the county jail, from the following parties: M. F. Hardesty, at \$51.30; and from The Alliance Electrical Company, at \$58.75; and the bid of Hardesty was accepted and the contract awarded to him.

A bid was received for the clearing of the right-of-way on Road No. 102, and same was continued for further consideration and final action.

Petitions for certain roads heretofore filed by C. W. Carnahan and others, and from James Jamieson and others, were duly referred to District Attorney Harrison Allen, for examination and report. They will be acted upon at a later session of the court.

The court yesterday officially ratified and confirmed the appointment of the staff of deputies in the offices of the county clerk and the sheriff, as heretofore published in these columns.

The semi-annual report of County Treasurer Charles H. Heilborn was submitted, reviewed, and duly referred to the county experts for final report thereon.

The semi-annual report of County Clerk Clinton was also received and after review, was referred to the experts. Among the salient items of this important document were the following:

Total liabilities, at \$62,029.40; Total assets, at \$12,331.50; Excess of liabilities, \$55,697.90. Against this latter amount, however, the outstanding taxes, valuable county property and machinery and the road funds, will stand as assets.

The total amount of cash on hand is placed at \$46,161.24, including all funds of the county.

The report of the sheriff and tax-collector was filed with court, in the matter of the credits on the tax roll of 1905, which shows as follows: Three per cent rebates allowed, \$5024.16; errors and double assessments, \$568.39; total, \$6192.55.

The bonds of the following officers of the county were submitted and approved by the court:

John Sayre, constable, Astoria precinct.

O. S. Anderson, justice, Vesper precinct.

J. W. Walker, justice, Jewell precinct.

A. E. Miller, constable, Seaside precinct.

Tim Corcoran, constable, Jewell precinct.

P. J. Goodman, justice, Astoria precinct.

John Hansen, justice, John Day precinct.

M. J. Young, justice, Seaside precinct.

J. C. Clinton, county clerk.

W. C. A. Pohl, coroner.

R. C. F. Astbury, county surveyor.

Upon petition sent up in that behalf, P. S. Brumby, was appointed fire ranger, with a territory covering townships 7 and 8, in ranges 6 and 7.

A communication was read, coming from A. McKay, who claims to have been elected justice of the peace and in for the precinct of Mishawaka, but the court was compelled to send him word that the judges and clerks of election for that balliwick had not reported his success upon the election returns.

A check in payment for the use of the county scraper was received from the Seaside Spruce Lumber Company, and the same was ordered to the county treasury.

A petition for the construction of a county road, from R. E. Bradbury, at Seaside, was read, and duly referred to County Attorney J. A. Eakin for examination and final report.

The court will go out today, to examine the county rock-crusher, and its product, and at the same time look over some road work in that neighborhood, when they will return to the court house and dispose of such matters as are still pending. It is likely the court will adjourn today, until the 18th.

Morning Astorian, 65 cents per month, delivered by carrier.

ADMITTED TO ANNAPOLIS.

ANNAPOLIS, Md., July 6.—Among the midshipmen admitted to Annapolis Naval Academy yesterday were Walter Combs of Eugene, and Herbert O. Reesch of Pendleton.

DANGER IN DELAY.

Kidney Diseases Are Too Dangerous For Astoria People to Neglect.

The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and see remedy Doan's Kidney Pills, which has cured people right here in Astoria.

J. Pedersen, longshoreman, living at 613 Commercial street, Astoria, Oregon, says: "For 20 years I was afflicted in one way or another with kidney trouble, suffered a great deal of pain in the small of the back and was continually tired and nervous. I had occasional headaches and also a blurring of the eyesight. Every time I took cold it settled in the kidneys and added to my troubles, the secretions at such times being irregular and containing sediment. My rest was much disturbed at night on this account. I began taking Doan's Kidney Pills, procured at Charles Rogers' drug store, and found unexpected relief, for which I am very thankful."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
